A SUPERWINCH DISTRIBUTOR WITH THE EMPHASIS ON TECHNICAL EXPERTISE

Professional operators want the best technical advice when selecting a winch. They need to be sure that the product they buy is the safest and most suitable for the job, providing complete reliability and minimal vehicle down time.

Winchmaster sales engineers provide valuable advice and guidance, plus a comprehensive winch installation service. They pride themselves in giving a comprehensive parts backup – with next day delivery throughout the UK.

A service that sets Winchmaster apart from other Superwinch dealers!

APPLICATIONS

4x4 recreational vehicles and light recovery vehicles.

The switching system can also be remote-mounted for a lower more compact winch profile.
